

Oleksandr Bulbuk

Junior Frontend Web Developer

 sbulbuk@gmail.com  +48 793 632 855  Łódź, Poland

Profile

Junior Web Developer with a strong foundation in web development and a clear focus on growth and learning. I am experienced in working on real-world web projects and pay close attention to detail, organization, and deadlines. I value teamwork, clear communication, and continuous improvement while contributing to scalable and maintainable solutions.

Let's create something exceptional together.
